## **Steve Tshwete Municipality distance itself from community meeting**

The Steve Tshwete local municipality would like to notify the community that it has nothing to do about the meeting that is being called for tomorrow (14 January 2015) at Themba Senamela Stadium. The meeting is about submitting of CV's and has nothing to do with the Municipality and office of the Executive Mayor distances itself from this meeting and all activities related to it.

The Municipality advertise vacancies on the municipal notice boards, website as well as local and national media. These adverts are done on the official municipal branding and the payment of vacancies is highly discouraged by the Municipality.

The usage of the Municipal name or that of Executive Mayor to lure the public to such unofficial meeting is regarded as a scam and the Municipality warns the public that they would be attending such meetings at their own risks. The jobs at Steve Tshwete are not for sale.

**Yours faithfully**

**MUNICIPAL MANAGER**
