Media release

Online electricity purchasing system meet expected outcome

It's been a month since the launch of the online vending where residents can purchase and pay their municipal accounts.

The municipality in partnership with Utilities World & Prepaid24.com has successfully registered 1494 residents who are elated about this online vending that is saving their time of waiting in long queues.

Since the launch on 19 December 2016, all challenges have resolved through the online Chat facility which makes this application one of the best.

The municipality and Utilities World and Prepaid24 note and appreciate comments and suggestions made by residents and promise to consider and improve the service.

The municipality is currently organising an awareness campaign next month where Juan de Villiers, former Springbok squad Captain and Mandla Ndlovu, actor of iSibaya drama series on Mzansi channel will drive the campaign.

To sign up: visit our website at www.stlm.gov.za

For assistant: Chat to one of our friendly consultant's at prepaid24.com online.

Please note: The municipality prepaid points will still be open 24 hours.
