Media Release:

Tune to local radio stations for local news

Steve Tshwete Local Municipality has broadcast slots on local radio stations. This comes after the municipality entered into an agreement with Greater Middelburg FM (GMFM) 89.7 and Kosmos Stereo 99.3 to broadcast service delivery issues to the public. Members of the public are therefore encouraged to phone in during the slots which run between 18:00 and 19:00 on GMFM and 14:00 to 15:00 on Kosmos Stereo every Tuesday on both stations. Public engagement on the issues discussed is expected to improve interaction between the municipality and the community and to put a positive impact and assist the municipality in improving service delivery. During the slots, listeners can interact with councillors and senior officials on different topics in discussion. Calls can be made on the following numbers; GMFM – 0133 242 2291 and Kosmos Stereo - 013 243 0558.

Yours faithfully

WD Fouche
