## **MEDIA RELEASE:**

### **Lifting of water restrictions in Hedrina and Kwazamokuhle**

The Civil Engineering Services in the municipality can confirm that the current supply of reclaimed mine water is adequate to satisfy the average daily water demand in Hendrina and Kwazamokuhle.

The water shortage problem to these areas has been resolved due to the availability of the reclaimed mine water from Optimum Coal Holdings.

The water restriction in Hendrina and Kwazamokuhle was officially lifted from 20 April 2012.

**Yours faithfully**
