Steve Tshwete Municipality warns the submitting of Curriculum Vitae's

The Steve Tshwete Local Municipality would like to make the community aware that it has not requested the public to submit their CV's at the municipal offices.

This comes after today's (14 January 2014) illegal demonstration at municipal offices in Civic Centre by certain members of the community. The alleged group of illegal demonstrators had earlier called a meeting at Themba Senamela Stadium under the pretence name of the Municipality and that of the Executive Mayor in luring the public to submit their CV's.

The Municipality advertise vacancies on the municipal notice boards, website as well as local and national media. The municipality appeal to the public not to respond to any job offers from people who claim to be representatives of the municipality as this is not the standard recruitment procedure.

The usage of the Municipal name or that of Executive Mayor to lure the public to such unofficial meeting is regarded as a scam. Therefore the Municipality warns communities to never give anyone money for job because it is illegal and against the law of the country, the jobs at Steve Tshwete are not for sale.

Yours faithfully

MUNICIPAL MANAGER
