### **MEDIA RELEASE:**

#### **Cleaning action taken to maintain winning standard**

Steve Tshwete Local Municipality was late last year announced a runner up in the Greenest Municipality competition, formerly known as the Cleanest Municipality Competition. The municipality was also the only nominee in the competition in Mpumalanga, making Steve Tshwete Municipality the number Greenest Municipality in the province. However, there has been growing concerns over alarming increase in incidents of illegal dumping at the number wards in Mhluzi, which left the municipality with no option but to take action and maintain the cleanliness. On Saturday 28 April, the Executive Mayor Mike Masina invited councillors and council officials to join the solid waste department in cleaning the affected wards 17, 18 and 19.

**Yours faithfully**
