New park for Somaphepha Village

The development of parks adds a fundamental value to the residents because it serves as a welcoming place for the community. With the ever demanding lifestyles of modern times, it is necessary to ensure that people have access to facilities for relaxation of choice, whether for hard core sport or for recreation activities.

Steve Tshwete Local Municipality is developing a park at Somaphepha Village, which started on March 2017 and will be completed by the end of May 2017.

The park development will among other amenities include a heavy duty bollards around the park, picnic sets with concrete footing and edging, litterbins with concrete footing, braais with concrete footing, benches, non-movement outdoor gyms, play equipment, multipurpose courts, excavation and importing of soil.
