### **Local Procurement Database to benefit SMMEs**

The aim and objective is to establish a local database of all entrepreneurs within the Steve Tshwete Local Municipality who may in future benefit from contracts with the private sector and not rely solely on local government.

Documents required for registration includes CK documents, company profile, BBBEE certificate or affidavit, ID, police and tax clearance. The municipality seeks to achieve economic growth by creating a conducive environment for business development and growth for job creation.
