MEDIA RELEASE:

REHABILITATION OF LONG AWAITED ROAD

To all Residents, Businesses and Visitors to Middelburg, the Civil Engineering Department wishes to inform you that Eeufees Street, from Pistorius to Totius Street will close from 07 October to 22 November 2013 at 09:00 each day.

The closure is due to the first phase of rehabilitation as council will be rehabilitating the street to improve the road quality. The total cost of the project once completed will be R1.8 million.

We apologise for any inconvenience that you may experience during the above-mentioned period, but it is absolutely necessary to rehabilitate the street.

Traffic will be diverted to an alternative route and you are therefore requested to follow construction signs and be patient, to avoid unnecessary accidents. Your urgent cooperation is needed in this regard and could assist in lessening the rehabilitation time.

Road signs will indicate construction areas and alternate routes.

Should you require further information, please contact Mr Freddy Mahandana on 013 249 7166 or Miss Lindiwe Silolo at 013 249 7350.

Enquiries : Prudence Magutle - Assistant Director: Communication

Tel : 013 249 7053.
Cell : 076 150 5048
