MEDIA RELEASE:

USE OF STANDBY GENERATOR

Steve Tshwete Local Municipality has experienced unsafe situations from private generators which generate electricity into the Municipal network.

The property owner or user is responsible to ensure a safe electrical installation in terms of SANS 10142-1 the (wiring of premises). It is legally required that a change over switch must be used at installations with generators to prevent feedback into the Municipal supply.

The property owner or user is responsible to ensure that the generator installation complies to the above mentioned standards.

For more inquiries, please contact Prudence Magutle at 013 249 7053 / 082 338 3821 or email p.magutle@stevetshwetelm.gov.za

Yours faithfully

W.D. Fouché
Municipal Manager
