SMMEs and business invited to briefing on DTI incentives

STLM and the Department of Trade and Industry (Dti) will be holding a briefing session on 26 February 2015, with established businesses and SMMEs for mega infrastructure, mechanical, construction and other projects to discuss the DTI's incentive schemes.

DTI says that research shows that Mpumalanga is not utilising these incentives to the fullest.

“The purpose of briefing is to educate business people about the incentives, because the Dti is concerned that they are not taking advantage of incentives that could see 30% of the costs of projects being paid through its packages.”

The briefing will be held at the Banquet Hall on 26 March 2015 from 09:00 and all businesses are welcome.
