MEDIA RELEASE:

Storm Water installed in Ellen Nhlapo Street

Following IDP meetings in the past three years, the residents of ward 22 in Mhluzi demanded installation of storm water to be in place in the area. On 2 April this year, the municipal Civil Engineering services kicked-off with the project to install storm water facilities in Ellen Nhlapo Street. The R1,7-million project is expected to be completed on 15 June 2012.

Yours faithfully

WD Fouche
Municipal Manager
