MEDIA RELEASE:

Career Expo 2013

Middelburg Chamber of Commerce & Industry and Steve Tshwete Local Municipality will once again be hosting the Local Annual Career Expo on 30 – 31 January 2013 at the Banquet Hall. The Department of Education has confirmed that this will be the ONLY career expo.

It has become clear that the local industry requirements – specific reference to technical skills – are not being met. The purpose for the Career Expo is to expose the local youth to career opportunities in the Steve Tshwete Municipal area

Focus:

Gr 9: aiding in subject choices

Gr 12: the focus is on math and science learners

The two day expo will include an assessment process for the Gr 9 students, an information sessions for Gr 12 learners as well as exhibitions from sponsor:

- Steve Tshwete Local Municipality
- Anglo Coal
- Columbus Stainless
- BECSA/Xstrata/Shanduka
- Optimum
- MRTT
- TUT
- NYDA
- Standard Bank
- ABSA

- Eskom

We aim to motivate the learners to become focused on their futures, to plan subject in accordance to their career choices. This expo is a great platform to show learners that there is hope to reach their dreams, and that through hard work they can further themselves to one day become a successful member of the community.
