## **MEDIA RELEASE:**

### **Mayoral cleaning campaign spreads wings**

Following the success of the first leg of the Mayoral Cleaning Campaign on 28 April, another cleaning round took place on Saturday 10 May at Mhluzi extension 7 and parts of extension 8, where the Executive Mayor Mike Masina was joined councillors, the Municipal Manager Willie Fouche , council officials as well as concerned members of the community who volunteered to cleaning the environment. The cleaning campaign aims at retaining cleanliness standard of the local municipality after growing concerns over alarming increase in illegal dumping cases at a number of open spaces, especially in Mhluzi township. Municipal tipper trucks were called in to remove illegal dumped waste at affected sites. The cleaning campaign is expected to continue this Saturday and the team will clean New Town in ward 27.
