Media release

Early Christmas for inmates

Steve Tshwete Local Municipality Library in partnership with the Department Correctional Services, will host inmates of the Middelburg branch to an early Christmas party.

Four years ago, the municipality established a library at the Middelburg Correctional Services in addition to the ten libraries that the municipality runs.

The establishment of the library was in response to requests made by the Department of Correctional Services to assist inmates in their studies and acquire skills that will improve their lives once they are released from imprisonment.

The main aim of the event is to create awareness regarding the rendering of library services.

Date : 07 December 2016
Venue: Middelburg Correctional Services
Time : 09:00

The media is requested to make arrangements with the Department of Correctional Services for entry at the event.
