MEDIA INVITE:

Heritage Day Celebrations

The Executive Mayor, Mike Masina invites you to join him as we celebrate our Heritage on 20 September 2013.

Venue: Little Elephant

Time: 09:00

Theme: "Reclaiming, restoring and celebrating our heritage"

Dress Code: Traditional

During this day the STLM community will be encouraged to recognise aspects of their culture and heritage, which are both tangible and intangible and give expression to their creativity by participating in music events and performing art.

The day will also be celebrated by recognizing our historical inheritance, honour of languages, spirituality and sacred sites; enjoy our indigenous food and share our popular memory.

Heritage Month comes just a few months before South Africa celebrates 20 Years of Freedom.

The celebrations will provide an opportunity for the Government to reflect on progress that has been made in realising former President Nelson Mandela's dream of ensuring that our diverse heritage is respected and recognised equally.
