MEDIA RELEASE:

Council library establishes reading clubs

On 24 April, the Steve Tshwete Library Services observed the International Reading Week at Eric Jiyane Community Hall, where learners, church representatives, the working class and individuals were encouraged to make reading part of their lives and establish reading clubs. To date the library has assisted in establishing three reading clubs at Nasaret Combined School, Mkhulu Secondary School and Mhluzi Adult Centre. The library assists the clubs with applications for library memberships, where members of the clubs can borrow books from municipal libraries. At Mkhulu Secondary School there will provision of mobile library every week. Other clubs from different institutions are expected to be established in the near future.
