Media release

Early Childhood Development graduation ceremony

The Goedehoop Colliery in partnership with UNISA and Steve Tshwete Local Municipality will host an Early Childhood Development graduation ceremony. The ceremony will take place as follows:

Date: Wednesday 09 March 2016
Time: 12h00
Venue: Banquet Hall

The early development plan is largely aimed at giving children the best start in life by building a solid foundation of physical, emotional, psychosocial, cognitive and healthy development. The municipality therefore set out to deliver services to children, training caregivers and educating parents, promoting community development, strengthening institutional resources and creating public awareness as activities identified by the World Bank.

The programme commenced in 2012 as part of municipal strategy to contribute towards the millennium developmental goals and the NDP 2030, it was implemented through the priorities in IDP and the Child Care Forum for Children's Right.
