

Notice is hereby given by Steve Tshwete Local Municipality, as Water Service Authority, that the potable water analysis can be viewed on the website www.stlm.gov.za. Under 'Publications.'

The analysis confirm that the Municipality's potable water complies with SANS 241-2015 Water Quality Standards, for Chemical and Bacteriological limits.

The Publication of the Water Analysis forms part of the Department of Water and Sanitation's Blue Drop Certification criteria, and aims to create public awareness of the quality of drinking water in the STLM water supply area.
