LANG NO.1	Please Note	
MIDDELBURG CBD (partially)	<ul style="list-style-type: none"> The attached load shedding schedule is dependent on stage two of Eskom's load shedding program. The schedule is subject to change depending on the request received by Eskom. As soon as council receive an instruction from Eskom to shed, council will send SMS's to all consumers who are registered on Council's SMS system. Due to unforeseen circumstances in the network, the listed affected areas might change base on the network configuration / states during the process of load shedding.
