### **SITE HANDOVER AND SOD-TURNING FOR MIDDELBURG'S NEW RADISSON HOTEL**

The Hon. Premier Refilwe Mtshweni-Tsipane, together with the Executive Mayor, Cllr Diphala Motsepe, will be handing over the construction site for the new Radisson Hotel to Akani Properties, the appointed contractor.

The site handover will take place on September 07 at 10:00.

The hotel will be the first in the Radisson Group in the Mpumalanga Province and will be the 16th hotel to be built on the continent. The hotel will consist of 150 rooms, as well as conference facilities, restaurants and a bar.

The new Radisson Hotel is on schedule to open at the same time as the convention centre, situated adjacent to the hotel. Complementing the convention centre will be the hotel's own 2 300m<sup>2</sup> event and meetings area, consisting of a pre-function area, banquet hall, eight meeting rooms and board rooms.

The hotel will assist in uplifting the town and supporting Middelburg's drive to boost tourism, as it's the only internationally branded hotel in the province.
