ARBOR MONTH CELEBRATION

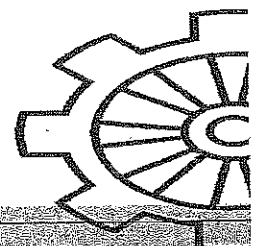

This year's, Arbor month will be celebrated under the theme: 'Forest and Biodiversity'. The celebrations are taking place at a time when Steve Tshwete Local Municipality was recently crowned as the cleanest and greenest town in the province.

As part of Steve Tshwete Local Municipality Arbor Month campaign and in a bid to maintain our greening initiatives, the Municipality will embark on an awareness campaign to educate people about the importance of trees which provides us with oxygen that humanity and the environment needs to survive.

As a Municipality we have adopted the culture of planting a tree in every RDP house that has been built, schools, town etc. Early this year, 70 dry water trees, 10 wheelie bins, 44 watering cans and 70 trees to the new Aerorand Primary School were donated.

In celebrating 2020 Arbor Month, the Municipality will donate five trees per school as follows:

DATE	TIME	LOCATION
15 September 2020	11:00	Mphephethe Primary School (Kwazamokuhle)
15 September 2020	10:00	Mhluzi Primary School (Mhluzi)
17 September 2020	10:00	Manyano Primary School (Mhluzi)
17 September 2020	10:00	Mvuzo Primary School (Mhluzi)
23 September 2020	10:00	Batlagae Primary School (Doornkop)

This programme is spearheaded by the Executive Mayor Cllr B.J. Tolo, who will educate learners about the importance of trees, their benefits to people and the environment.
