Media Release:

Municipality to receive full housing accreditation

Steve Tshwete Local Municipality made presentations at the provincial Human Settlement Department late last year for low-cost housing accreditation. The team from the municipality which was led by MMC for Human Settlement and Agriculture Semakaleng Nkadimeng and the Executive Manager Public Services Florence Phiri, who also represented the Municipal Manager at the presentation received a conditional accreditation, pending that the municipality submits Spatial Development Framework, Integrated Housing Development plan and Accreditation Business Plan. The three documents have now been submitted to the National Human Settlements department by the Executive Manager Public Services. The municipality will receive accreditation at level 1 and 2, which will allow the municipal human settlement department to be in a position to perform housing Project Management, Capturing and Verification of beneficiaries and planning and contract management. The municipality will also have powers to fire contractors who deliver poor work and don't deliver according to deadlines.

Yours faithfully

WD Fouche
Municipal Manager
