New development of Parks

A new sight at the entrance of the Middelburg Mall is part of the new developments of parks including Mineralia and Rietkuil by Steve Tshwete Municipality.

At Middelburg Mall the Lions Park will entail the installation of new play equipment, park furnisher, fencing, tree planting and rubberizing underneath play equipment surfaces which the municipality will be spending R400 000 in the project.

In Mineralia at corner of Hoog and Luttig Park and Rietkuil Park 899,25th Street, five new play equipments were installed irrespective during October 2015. The development of parks adds a fundamental value to the residents because it serves as a welcoming place for the community.

With the ever demanding lifestyles of modern times, it is necessary to ensure that people have access to facilities for relaxation of choice, whether for hard core sport or for recreation activities.
