## **MEDIA RELEASE:**

### **Main clinic gets facelift**

As part of the capital projects that currently being rolled out, the Steve Tshwete Main clinic situated at the civic centre is currently being renovated. All the consultation rooms are being revamped, and will be moved next to the windows to comply with health policies which stipulates that consultation room must have windows. Upon completion on 24 May, the renovation project will see the clinic with new flooring and a new look kitchen. The project, which kicked-off on 15 April, will cost the municipality R164 000.
