Steve Tshwete Local Municipality partners with DJ Fresh in honour of Mandela Day

To honour Mandela Day, DJ Fresh, officially known as Thato Sikwane, has partnered with Steve Tshwete Local Municipality (STLM) and the local South African Police Services (SAPS) to distribute food parcels and blankets to the elderly citizens and needy families. The recipients will receive their donations under strict Alert Level 4 regulations which prohibit public gatherings.

Under the theme “one hand can feed another” STLM Executive Mayor, Cllr Diphala Motsepe says the Municipality aims at bringing relief to disadvantaged communities amidst the Covid-19 pandemic.

“These are trying times in the lives of many South Africans. The economic fallout of the COVID-19 pandemic has resulted to immediate loss of income means and many families are less able to afford the basics. As the Municipality we want to continue to honour the legacy of Nelson Mandela and his values, through doing our bit to support the residents of our Municipality.”

Motsepe adds that by partnering with influencers like DJ Fresh, the Mpumalanga-based Municipality wanted to inspire positive change, and empower change-makers
