Media release

Mine donates garden tools

The Goedehoop Colliery Mine will be donating tools for the Community Works Programme for Steve Tshwete Local Municipality. The tools will enable the volunteers to continue in assisting the community regarding the psychosocial challenges.

The mine will be handing over garden tools such as shade net, wheel barrow, shovels, spades, lawn mowers, first aid kit, brooms, rakes and other amenities used for litter picking and gardening.

The Community Work Programme (CWP) is an initiative by the Department of Public Works in order to address unemployment and poverty in rural areas. It supplements livelihood strategies by providing a basic level of income security through work. Volunteers are subsidised with a safety net of R 1000 and more on a monthly basis.

The official hand over will take place as follow

Venue : Komati Community Hall
Date : 30 October 2015
Time : 11:00

Members of the media are welcome to be part of the handover.
